Forum Questions

The background of the slide features a warm, golden-brown sunset or sunrise sky. In the foreground, there are dark silhouettes of several people of various ages holding hands in a circle, suggesting a community or a group of people. The overall mood is hopeful and collaborative.

1. What is, from your perspective, the most important next step to take as we move forward into this transition?
2. What health informed and solution focused activities can we engage in as we move ahead?
3. What trustworthy resources can we rely on for solid accurate information and support?
4. What does moving forward with health informed and solution oriented methods look like for you?
